The life of our parish is guided by the parish mission which is to educate, form and transform persons into disciples of Christ and to foster their active participation in the life, work and mission of the Church. All parishes are called to be “schools of discipleship” assisting the People of God with the ongoing life long conversion required to be followers of Jesus Christ. It is in our parishes, families and in the world that we are living witnesses to Christ’s love and the faith we profess. Discipleship is our invitation to continue Christ’s saving mission here and now and through generous stewardship change the world!

ST. ROSE OF LIMA PARISH
50 SHORT HILLS AVENUE
SHORT HILLS, NJ 07078

Compelled by faith to engage with people across cultures and ethnicities, we live, love, and work with communities on the margins to promote active nonviolence and healing.

Maryknoll Lay Missioners is a Catholic mission-sending community committed to nonviolence through prevention, intervention, reconciliation, and restoration of all creation.

We are long-term missionaries and missionary families serving in nine African, Asian, and American countries.

Striving to create an inclusive and anti-racist world, we live and work with those most excluded in society to transform unjust structures together.

Jesus' call to love our neighbors extends throughout our interconnected world.

And Pope Francis' call to "go to the margins" means embracing the Gospel's preferential option

for the poor throughout our global "neighborhood."

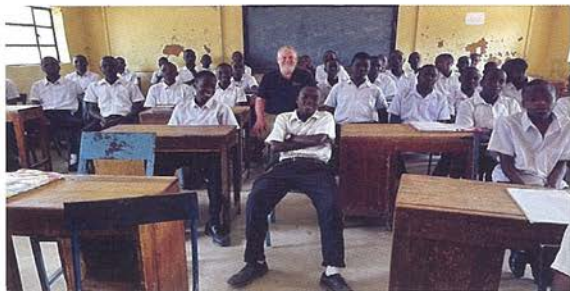

For half a century, Maryknoll Lay Missioners has **sent nearly 1,000 men, women, and families to serve in 34 countries.** Thousands more lent their financial, moral, and prayerful support.

Being missionaries today is different than the missionary models of previous centuries.

Today our missionaries work alongside local partners to build capacity and empower communities, fostering the growth of just and compassionate societies.

We foster **greater solidarity by accompanying people** from different cultures, races, languages, and religions.

Listening to each other's realities, we build relationships of mutual friendship and respect to help heal today's fractured world.

Maryknoll Lay Missioners:

- Serve in **Bolivia, El Salvador, Haiti, Kenya, Tanzania, South Sudan, Cambodia, and at the U.S.-Mexico border.**
- Work in **education, healthcare, justice and peace, pastoral ministry, and sustainable development.**
- Dedicate a **minimum of three years** up to 30 or more years of their lives.
- Are committed to practicing core values of **simple living, community, joy, inclusion, and humility.**
- Include **single** women and men, **married** couples, and **families** with children.
- Range from young people in their 20s to those who have joined after retirement.

THE SPIRITUAL EXERCISES OF ST. IGNATIUS

In conjunction with St. Joseph's University, Loyola Jesuit Center in Morristown is offering the opportunity to work with a spiritual director in its SEEL program to complete the Spiritual Exercises in Everyday Life.

It requires a commitment from September to May during which the participant will be guided through scriptural based Exercises that guide the practical purpose of the Exercises, which is to grow closer to God who is with us in our daily lives. There are many spiritual and practical benefits for all who participate.
