The life of our parish is guided by the parish mission which is to educate, form and transform persons into disciples of Christ and to foster their active participation in the life, work and mission of the Church. All parishes are called to be “schools of discipleship” assisting the People of God with the ongoing life long conversion required to be followers of Jesus Christ. It is in our parishes, families and in the world that we are living witnesses to Christ’s love and the faith we profess. Discipleship is our invitation to continue Christ’s saving mission here and now and through generous stewardship change the world!

The World Day of Prayer for the Care of Creation is celebrated globally every year, marking the ecumenical initiative known as the Season of Creation. The season draws to a close on October 4, the Feast of St. Francis of Assisi. Initially established in the Orthodox Church, this day was officially embraced by the Catholic Church to provide individuals and communities with a vital opportunity to reaffirm their personal vocation as stewards of God's creation. Parishioners are invited to offer thanks for the bounty of our planet and pray for the protection of our shared ecosystem.

*"Those who believe that our world
was created by God
and is inherently good
are compelled to assume an even greater responsibility
to care for creation,
since this is the requirement of their faith,"*

-Pope Leo XIV

Care for Creation Sunday Honoring God's Gift of the Earth & Sustaining Our Common Home

"We must also pray for the conversion of many people, both inside and outside the Church, who still do not recognize the urgency of caring for our common home,"

Pope Leo XIV's Teachings & Context

Continuing the profound ecological framework laid down by his predecessors, Pope Leo XIV has made "integral ecology" a centerpiece of his papal teaching. Demonstrating a commitment to practical action, Pope Leo formally inaugurated Borgo Laudato Si' within the Pontifical Gardens of Castel Gandolfo. This historic retreat was transformed into an active educational village focused on sustainable agriculture, biodiversity, and human dignity.

In his recent global messages, the Pope directly addresses how environmental degradation and human conflict stem from a shared moral crisis: "Caring for God's creation is a demanding but beautiful and fascinating task, which is a primary aspect of the Christian experience." "The social and ecological devastation wrought by war represents not just a political failure, but a moral crisis rooted in a divided heart in need of conversion. We must shift from collecting data to caring; and from environmental discourse to an ecological conversion that transforms both personal and communal lives."

Table Prayer

Generous and Loving God, Creator of the universe,

We gather around this table to thank You
for the abundance of the Earth and the fruits
of human labor that sustain our daily lives.

Bless this food we are about to share.

Bless the soil, the water, and the hands that brought it to us.
Awaken in our hearts a deep reverence for all Your creation,
that we may use Your gifts justly, waste nothing, and carefully
protect our shared home.

Grant us the grace to ensure that everyone, especially the
poorest among us, may share in Your bountiful harvest.

We ask this through Christ our Lord.

Amen.

Celebrating St. Francis of Assisi

Patron Saint of Animals, Ecology, and Peace

Born in Assisi, Italy, in 1181, Francesco di Bernardone lived a wealthy youth before experiencing a profound conversion. He abandoned his riches to embrace Lady Poverty, preaching the Gospel, serving the sick, and showing deep reverence for all creation. He founded the Franciscan Order and is remembered for his pure joy, humility, and love for animals.

St. Francis revolutionized the medieval Church by bringing the Gospel back to its humblest roots. His core impacts include:

- **The Franciscan Order:** He founded the Franciscan friars (Order of Friars Minor), establishing a radical new model of apostolic poverty, traveling preaching, and community service.
- **The Christmas Nativity:** In 1223, he created the very first live Nativity scene (crèche) in Greccio, Italy, making the mystery of the Incarnation accessible and visible to ordinary people.
- **Ecological Spirituality:** He introduced a profound theological view that all of nature is a mirror of God, earning him the title of Patron Saint of Ecology.

A Prayer for the Jubilee Year of St. Francis

*Saint Francis, our brother,
you who eight hundred years ago went
to meet Sister Death as a man at peace,
intercede for us with the Lord.*

*In the Crucifix of San Damiano you
recognized true peace, teach us to seek
in Him the source of all reconciliation
that breaks down every wall.*

*You who, unarmed, crossed the lines of
war and misunderstanding, give us the
courage to build bridges where the world
erects borders. In this time plagued by
conflict and division, intercede so
that we may become peacemakers:
unarmed and disarming witnesses of the
peace that comes from Christ.*

SCRIPTURE PROGRAMS

The Bible is at the heart of our Catholic Faith and our relationship with God. Scripture informs our beliefs and inspires our devotions. It is through his Word in Scripture that our Father encounters us and lovingly speaks to us. Reading the Bible should bring us closer to Christ, but understanding it is often difficult. The good news is that you can understand the Bible, and participating in studies along with your fellow parishioners makes it easy. We are offering two program this year.

1) Unlocking the Mystery of the Bible (8 sessions) takes you on a guided journey with video presentations and discussion groups that take you through salvation history while offering fresh, practical tools to help you read and appreciate the Bible. Many people want to read the Bible because they know it is God's Word, but they give up because it seems so complicated. Unlocking the Mystery of the Bible helps you to get the "big picture" of the Bible by showing how fourteen narrative books of the Bible tell the complete story from Adam and Eve to Christ and the Church. This is a great starting point in better understanding the fundamental timeline and sequence of the bible by providing an overview.

Participants of **Unlocking the Mysteries of the Bible** will meet for 8 sessions (every other week) for approximately 16 weeks.

Date: Oct 10

Location: Devine Center Conf. Rm.

Time: 3:30 PM

Cost: \$40.00

2) The Gospel According to Mark (9 weeks) explores the earliest and shortest of our (4) canonical New Testament Gospels. This study is similarly conducted with video presentations and discussion groups where participants meet to share ideas, questions, and responses to the questions that lead us through the Gospel.

The Gospel According to Mark will meet weekly for 5 sessions in the fall and 4 sessions in the winter.

Fall 1 Date: Oct 11

Location: Devine Center Conf. Rm.

Time: 1:15 PM

Cost: \$40.00

Fall 2 Date: Oct 14

Location: Devine Center Conf. Rm.

Time: 10:00 AM

Cost: \$40.00

Both programs are underpinned by an engaging video presentation, followed group discussion and fellowship. For more information or to register for the study, please scan the QR code above with your smart phone camera and click the yellow link.
