

Saint Rose of Lima Automated Offertory Program Fact Sheet

What is an Automated Offertory Program?

It is an automated means to financially support our Parish through **monthly contributions** from your checking or savings account. There is **NO** cost to participate in the program.

How Does It Relate to the Use of the Weekly Envelopes?

If you choose to participate in the Automated Offertory Program, then it replaces the use of weekly envelopes. Users can receive offertory collection slips to use during the Offering of the Gifts to acknowledge participation in the collection as an automated giver.

What are the Benefits of Automated Offertory?

- **Convenient:** There is no need to hand-write checks or retrieve offering envelopes.
- **Intentional:** Determining our giving at the same time as other commitments sets our giving in relation to our total financial circumstances. When looked at in light of how much we spend on recreation, entertainment and other areas of living, we can easily evaluate our own degree of generosity.
- **Protected:** All transactions are transmitted and stored using state of the art 128-bit encryption technology.

If you have further questions, please contact Joan Schultz, Pastoral Associate for Ministries and Development at 973-376-1960 ext 3970.
